Braswell was most interested in this. He commented that Senator Stennis had indicated to him this morning that he wanted to receive a briefing from the Pentagon on what was going on in Laos. At that time Braswell suggested that the Chairman also receive a briefing from the Agency and the Senator said he wanted to do this. I told Braswell we were available to do this at Senator Stennis' convenience. Braswell mentioned in passing that the Pentagon has refused to provide Senator Symington with a briefing on B-52 raids in Laos. He said General Ryan has declined to even see Symington on this.
